

## Welcome to INQ

Introducing the INQ Chat 3G.

You're better connected with INQ Chat 3G, with email, Tweets and Facebook messages sent straight to your phone. Using these help cards, you'll be up and running in no time.

Your INQ Chat 3G is designed to be simple to use so you don't need a manual to get started.

If there's anything you're not sure about, check out our support section online at [www.inqmobile.com/support](http://www.inqmobile.com/support)

## FACEBOOK

Facebook® for INQ is built into your INQ Chat 3G. Log in once and you're always connected, even after you restart your phone.

### UPDATE YOUR FACEBOOK STATUS

**1. LOG IN TO FACEBOOK**  
Select **Facebook** from the **Switcher**. If this is the first time you launch **Facebook**, you'll be asked to log in.

**2. ENTER YOUR STATUS**  
Scroll **up** and select your **Profile**. Select **Edit** to enter your new status message and **Done** to send it.

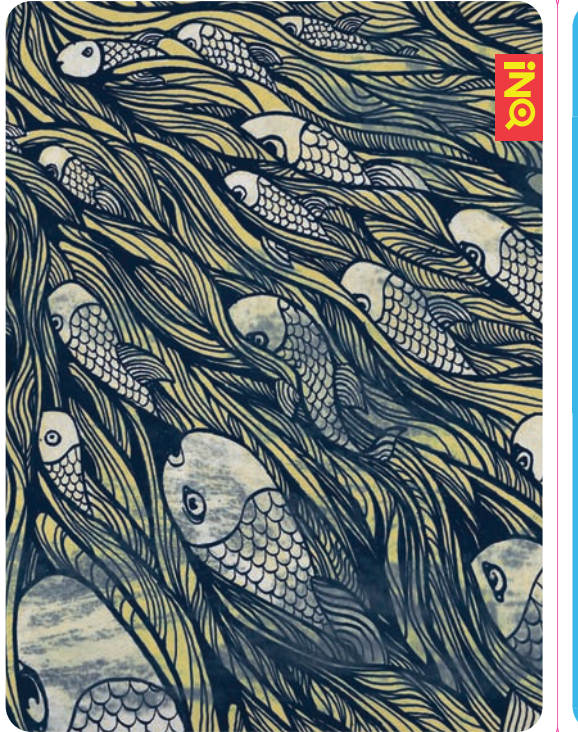

**3. YOUR STATUS IS LIVE**  
It's that simple. How about taking a photo and sending it straight to **Facebook**? Just point and snap, then select **To Facebook**.

INQ

## TWITTER

Tweet any time of the day or night with Twitter built into your INQ Chat 3G. Sign in once and stay connected.

### SEND A TWEET

**1. SIGN IN TO TWITTER**  
Select **Twitter** from the **Switcher**. If this is the first time you've launched **Twitter**, you'll be asked to sign in.

**2. WRITE YOUR TWEET**  
On your Twitter home screen, scroll to **What are you doing?** Select it. Enter your Tweet in the popup screen and select **Update**.

**3. GET TWITTER ON YOUR HOME SCREEN**  
With the Twitter widget you'll never miss an important Tweet. Set it by scrolling **Up** on the Home screen and selecting **Options > Manage Widgets > Twitter**.

INQ

## EMAIL

Set up your INQ Chat 3G to receive email automatically when you're out and about.

### GET STARTED WITH EMAIL

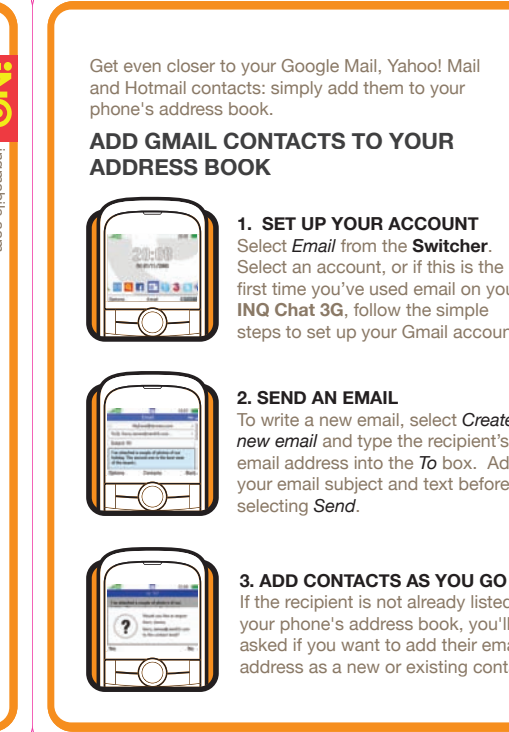

**CHECK EMAIL ON THE GO**  
With Gmail on your INQ Chat 3G, you'll see each new email as it arrives - all you need to do is log in. Other accounts, such as Hotmail and Yahoo!, will deliver all new email at set intervals.

**MAKE EMAIL WORK FOR YOU**  
Select **Options > Settings > Downloading** to change download settings to suit you. Here you can set how often messages are downloaded - less often will make your battery last longer.

**LET YOUR EMAILS FIND YOU**  
It's that easy. With Push email, you'll see notifications every time you receive a new message to make sure you're always in the know.

## CONTACTS

Link a friend's Facebook profile with their mobile number on your phone to see their picture when they call.

### ADD FACEBOOK PHOTOS TO YOUR CONTACTS

**1. IMPORT YOUR FACEBOOK CONTACTS**  
Select **Contacts** from the **Switcher** and open **Options**. Select **Facebook** and **Edit sync list** to synchronise your **Facebook** contacts to your phone.

**2. OPEN YOUR CONTACTS**  
To merge a friend's profile with their mobile number, select **Contacts** from the **Switcher** and select **Options**. Scroll down and select **Merge contacts**.

**3. MERGE**  
Scroll to the entries you want to link and select **Mark** for each. Then select **Done** and the name you want to keep. Now you'll see their **Facebook** photo when they call.

## USB MODEM

Use your phone as a modem for your laptop when you're out and about. (Subject to your network operator allowing this service).

### GET ONLINE ON YOUR PC OR MAC

**1. PLUG IN YOUR PHONE**  
Use the **USB cable** to connect your phone to your PC or Mac. Double click the **Mobile Modem** icon and follow the instructions.

**2. CONNECT USB MODEM**  
The **Mobile Modem** software will start when the installation is complete. Then press **Connect** on your computer screen.

**3. OPEN YOUR BROWSER**  
Once connected, you can visit any website or check your email as you would from a landline internet connection.

Downloading large files from the Internet can use a lot of data. Please check with your mobile service that you have a suitable data plan.

## DOUBLETWIST

Move all your favourite music, photos and videos on to your **INQ Chat 3G** memory card with doubleTwist.

### ADD MUSIC TO YOUR PHONE

**1. OPEN DOUBLETWIST**  
Open the doubleTwist application on your computer. If you haven't already installed doubleTwist, go to [www.inqmobile.com/doubletwist](http://www.inqmobile.com/doubletwist) for step-by-step installation instructions for PC and Mac users.

**2. PLUG IN YOUR PHONE**  
Use the USB cable to connect your phone to your PC or Mac. Mac users will need to select **Yes** on their phone when asked *Would you like to transfer files directly to and from your memory card?*

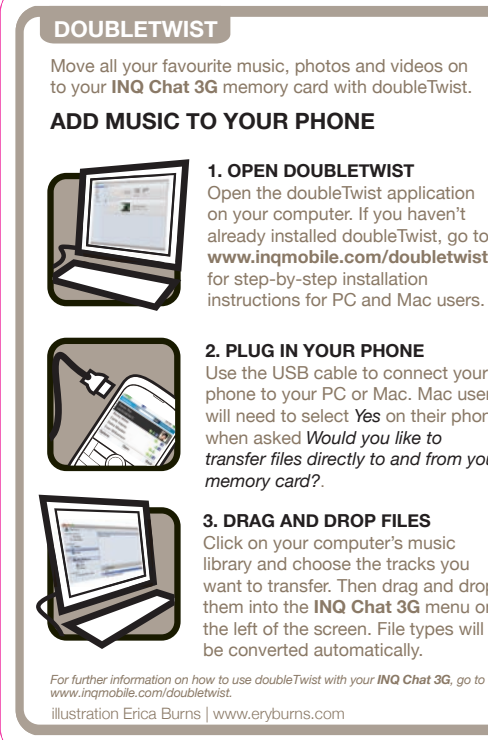

**3. DRAG AND DROP FILES**  
Click on your computer's music library and choose the tracks you want to transfer. Then drag and drop them into the **INQ Chat 3G** menu on the left of the screen. File types will be converted automatically.

For further information on how to use doubleTwist with your INQ Chat 3G, go to [www.inqmobile.com/doubletwist](http://www.inqmobile.com/doubletwist).

## WINDOWS LIVE MESSENGER

Chat with friends and family for free using Messenger on your **INQ Chat 3G**.

### CHAT USING WINDOWS LIVE MESSENGER

**1. OPEN MESSENGER**  
Select **Messenger** from the **Switcher**. If this is the first time you've launched **Messenger**, you will need to sign in. If you don't already have a Windows Live ID, you can create one by going to <http://home.live.com>.

**2. FIND YOUR CONTACTS**  
When you sign in, your online and offline contacts will be loaded to the contact list. To add new contacts, select **Options > Add New Contact**.

**3. START A CONVERSATION**  
To start a chat, scroll to the online contact in your contact list. Select the contact to open a new chat screen. Type your message into the text box and press **Send**.

## INQ HUB

**INQ Hub** helps you make the most of your **INQ Chat 3G**: support, downloads and apps - all straight to your phone.

### FIND APPS FOR YOUR INQ CHAT 3G

**OPEN INQ HUB**  
Select **INQ Hub** from the **Switcher**. Your browser will open and go straight to the **INQ Hub** homepage.

**LOOK AROUND**  
Need help on how to use your **INQ Chat 3G**? Select **Support** to check out the user guide and FAQs. Or select **Downloads** to find new apps and downloads to expand your phone's capabilities.

**FIND SOMETHING NEW**  
**INQ Hub** is constantly being updated so check back regularly to see what's new.

inqmobile.com

## INQ COVERS

Keep your **INQ Chat 3G** fresh by changing its back cover. Collect a range of colours and patterns.

### TRANSFORM YOUR INQ CHAT 3G

**CHOOSE A BACK COVER**  
Decide how you want your **INQ Chat 3G** to look by picking a cover from the full range on [www.inqmobile.com/covers](http://www.inqmobile.com/covers)

**REMOVE YOUR BATTERY COVER**  
Once you have your new cover, remove your existing battery cover by putting your palm flat on the cover and pushing it up. It should then lift off.

**FIT YOUR NEW COVER**  
Place the new cover on the back of the phone and slide it down to lock it into place. Now you're good to go.
